Top Toys Award Winner 2010 - Games, Highly Recommended!

It takes a steady hand to keep the fruit on this stand! Players spin the spinner then use the Jumbo Tweezers to carefully select one of each fruit to win the game.

Perfect for developing fine motor skills, vocabulary building and counting practice.

Includes 40 Fruity Fun™ Counters, two pairs of Jumbo Tweezers, spinner and adjustable cardboard fruit stand. Stand measures 24cm W x 34cm H.

Extra Jumbo Tweezers are available separately!

Skill Development:

Fine Motor- Tweezers guide proper finger placement to practice pincer grasp and engage hand muscle strength needed for daily living activities like brushing teeth or using a pencil.

Fine Motor- Eye-hand coordination and depth perception are engaged while precision and control are promoted to pluck or place fruits on the stand.

Social & Behavioral- Encourages pretend play opportunities with peers through turn taking, patience and cooperative play.

Basic Concepts- Reinforces vocabulary, color recognition and identification, counting practice and organization. Hands-on play helps build a concrete foundation of skills through exploration, imagination, and fun.
