Product Description

Porcupine balls with soft nubs. The surface of the porcupine balls is suitable for massages and exercises. The balls stimulate the sensory receptors and improve the perception. Set: 25 balls in yellow, red, green, blue color and air-pump with needle-valve. We recommend to inflate balls not larger than max. Ø 12 cm.

Material: plastic

Measurements: Ø 10 cm, pump 17.5 cm

Age restriction: 3 years
