Product Description

Maxi Massage Vibrator Set

The Maxi massager is the ideal tool for anyone looking for quick relaxation. The handy vibration set is easy to use and is used to relax muscles.

With its four different attachments, the Maxi Massager is suitable for all muscle groups. The Maxi Massage Vibrator allows you to specifically relieve tension and loosen your muscles.

Thanks to the included AA battery, you can use the vibrator immediately.

Safety instructions:

Avoid sensitive areas (such as the larynx and eyes). The vibrator should be protected from water. People with pacemakers and pregnant women should consult their doctor before use. Not suitable for children under 3 years of age.

Cleaning instructions:

After use, please remove the battery and rinse the vibrator under clean water. Cleaning should only be carried out under the supervision of a qualified therapist.
