Product Page: <https://theraplaycy.com/product/airpens-5-pack-vivid-colours-1-stencil/>

Product Description

>Colour or draw by simply blowing the tube at the tip of the pen.

Set includes ten pens and four stencils.

Use them to write, draw, spray around objects or through stencils for mind blowing effects!

Great fun for children of all ages.

DETAILS

The set includes five pens and one stencil.

For best results spray 8-10 cm from the paper surface.
