Product Description

The ARK Oral Motor Workout Kit is specially curated to include all of the most popular and versatile oral motor tools. It's an excellent therapy collection, whether you're first starting an oral motor treatment plan or looking to augment your therapy bag.

Each kit includes:

1 Z-Vibe® handle (royal blue) with Probe Tip

1 Preefer Tip

- 1 Fine Tip
- 1 Popette Tip
- 1 Tongue Tip
- 1 Bite-n-Chew Tip (skinny/smooth)
- 1 Tongue Depressor Tip (smooth)
- 3 Y Tips (1 of each level)
- 3 Squeezer Tips (1 of each level)
- 4 Button Tips (4 singles, 1 of each size)
- 1 Grabber® (magenta)
- 1 Grabber® XT (lime green)
- 1 Y-Chew® (light blue)
- 1 Lip Blok® Hierarchy (set of 3 Lip Bloks)
- 1 Storage Case

Comes with 1 battery pre-installed.

Note: this is a modified battery not readily available in stores, so we recommend adding extra batteries if desired.

Specifications:

Crafted in the ARK factory in Columbia, SC for quality and safety assurance.

Caution: Not a toy. Contains small parts that may pose a choking hazard. This therapeutic tool is to be used by a therapist or caregiver and directly supervised at all times.
