Product Description

Need to chew? Use ARK's Bite-n-Chew Tip! This tip attachment for the Z-Vibe® was specifically designed to promote a sustained bite, practice biting and chewing skills, improve jaw strength and stability, and build oral motor skills. The tip end is very smooth, rounded, and chewable. It can also be used outside the mouth on the cheeks and lips for added stimulation. Available in either unscented (green) citrus scented (orange) or berry scented (purple). The scented option simulates the smell of real food for added sensory input and to spark interest.

- Made in the USA out of medical grade, FDA compliant materials
 - No lead, phthalates, PVC, BPA, or latex
 - Each tip measures approximately 1.6" in length and just under .5" in diameter
 - Dishwasher-safe
 - To be used with either the Z-Vibe or Z-Grabber handle (sold separately)
 - Also available in XL ("Xtra Long") and Textured versions (sold separately)
- **Caution:** this therapeutic tool should be used under adult supervision at all times. Please use extra care when handling the Bite-n-Chew Tips, as they are small and pose a choking hazard.
