Product Description

ARK's Hard Brush Tip is similar to the Soft Brush Tip, but has firmer bristles specifically for teeth cleaning. Use this tip with any of the Vibe handles for tactile and proprioceptive input to the oral cavity during toothbrushing. The added vibration from the handle can have a soothing and calming effect for individuals with sensory issues. Each tip is constructed of medical grade materials that are FDA compliant and contain no lead, phthalates, PVC, BPA, or latex. Vibe handles sold separately.

This product is made in the USA out of medical grade, FDA compliant materials that

contain NO lead, phthalates, PVC, BPA, or latex.

****Caution:** This therapeutic tool should be used under adult supervision at all times.
