Price: €2.15 inc. 19% VAT

SKU: 100414

Product Categories: [BLOWING & RESPIRATORY](#), [ORAL MOTOR](#)

Product Page: <https://theraplaycy.com/product/balloon-valve/>

Product Description

Attach a balloon to these one-way air valves for blowing exercises. These premium valves have built-in air releases to let the air out at any time and are very easy to clean. Use balloons of different sizes to produce varying levels of respiratory difficulty.

Each valve measures approximately 2.25 x .75 inches

Colors will vary

Balloons not included

Made in Germany

Caution: contains small parts that may pose a choking hazard.
