Product Description

A game for learning to count from 1 to 10, and associate the writing of the numbers with their respective amounts. The teacher shows two cards: a number or a quantity and an object. Children must complete their cards like a bingo game when it coincides with what the teacher shows.

DETAILS

Included:

- 25 bingo cards (13,5 x 19,5 cm)
- 22 cards with numbers or images (13,5 x 10,8 cm)
- 150 plastic counters
