Product Description

With flavorful game-play and brain-boosting fun for all, this speedy puzzle game gets everyone reaching, spinning, stacking, and switching out pieces of cheese with excitement!

The copious condiments - peanut butter, jelly, pickle, ketchup, mustard, flies, and olives - simply MUST NOT be seen through the skimble-skamble holes of the Swiss Cheese.

Be the first to find the right slice and you win the bread. Win five pieces of bread and you win the game!

More than another cheesy game - Cheese Louise is a condiment-crazy challenge that tempts your speed, critical thinking, and acute visual skills.

It's a riot of fun as a group game and a time-pleasing solitaire game too!

Cheeeese Louissssee! Cover the toppings as quick as you can and you just might become... THE BIG CHEESE!

Cheese Louise

A flavorful visual game and thinking challenge

A yummy brainteaser game for families!

Cover the toppings so they are hidden under the cheese!

Encourages visual-spatial thinking, reaction time, interaction

Ideal for group and solitaire play
