Product Description

Chewy Tubes help you teach chewing, biting and normalization of oral habits, essential oral motor skills needed in an OPT program. The Knobby Green Chewy Tube is a safe alternative to inappropriate items that are chewed by children and adult clients for sensory input. It has a textured surface that provides additional stimulation to the oral cavity over smooth versions, and a “T” tubular shape that leaves room for a string to wear as a necklace for easy access.

-Green, bumpy, T-shaped, tubular

-For chewing and biting skills, TMJ stimulation, oral exploration...

- Reusable, durable and easy to clean
- Non-toxic, FDA compliant, free of latex, lead, PVC and phthalates

DETAILS

Green Chewy Tubes offer a knobby surface for additional sensory input.
Suitable for children of 3 years and over or adults.
