Product Description

Attention all high-climbers! This robust climbing rope has knots tied in intervals to help with climbing to the top. Stable plastic and metal parts provide safe playtime fun.

This rope is ideal as an entry to a treehouse or onto the kids' favorite climbing tree, and can also be simply hung up in the children's room. This is how children can train body control, strength and dexterity. With a little practice, everyone will have a blast with this climbing rope!
