Product Description

Set of 4 costumes with an audio-tale for theatrical performance. Valid size from 3 to 7 years.

PEDAGOGICAL OBJECTIVES

A GAME OF PERFORMANCE AND DRAMATIZATION which facilitates numerous aspects of

children's psychological development:

- Developing the logical time sequencing in which events take place.
- Learning about notions of time (before, later, afterwards, etc.).
- Developing listening skills.
- Stimulating and enriching language use: the game motivates children's speech

and allows

them to structure language. It enriches vocabulary and facilitates the assimilation of

complex linguistic structures.

- Facilitates learning of other languages.

Product Attributes

- Age: 3+

DETAILS

CONTENTS AND DESCRIPTION

A set comprising 4 costumes (sizes 3-7 years) + AUDIO CD (without images) with a complete

soundtrack (music and voice) for putting on a theatrical performance of a story in various

languages + a dialogue book (libretto) of the story.

The AUDIO CD allows you to perform the story without having to tell it yourself – all you need

to do is put on the CD and perform the characters following the script in the libretto. As easy

and practical as that!

Includes costumes of the following animals: lion, tiger, monkey and bear.
