Product Description

The Big Idea

Light up creativity with the flip of a switch! Budding designers can follow one of 12 included patterns or create their own custom, glow-in-the-dark creations. Just insert one of the translucent bolts, use the real working, kid-friendly power drill to drill it in, and watch as your dynamic creation glows from the inside!

Psst...They're Learning!

- Perfect for STEM learning

Advances kids' hand-eye coordination, matching, patterning, and problem-solving skills

Illuminates creativity and imagination

Builds construction and fine motor skills

Cut to the Chase

- Includes light-up activity board, power drill with socket bit and flat tip bit, 80 bolts, and guide with 12 patterns - Real kid-friendly power-tool action for hours of light-up fun - Requires 3 AA for drill and 3 AAA batteries for board (not included)

Product Attributes

- Age: 3+

DETAILS

Requires 3 AA for drill and 3 AAA batteries for board (not included)
