Product Description

Our Easi-Grip® Scissors are a range of ultralight weight self-opening scissors. Ideal for Early Years scissor skills development or for special needs due to weak hands or those who are unable to use conventional style scissors.

Easi-Tip

These scissors are ideal for children who have not yet fully established a hand dominance as they can be swapped between right and left hand for simple snipping.

OTs recommend for...

- Children being introduced to scissors
- Weak grip or poor hand strength
- Difficulty isolating individual finger movements
- Children who struggle to follow instructions and directional commands
- Children with undecided hand dominance who swap hands during a task

Product Attributes

- Age: 3+

DETAILS

Fitted with discreet spring

Reopens scissors after every cut

Long loop handle

Provides superb control of cutting action using middle, ring and little finger for strength whilst index finger is used for guidance
