## Product Description

Elephone is great big fun!

It will teach you to listen and say words like run.

Use it for speaking, listening, and reading too.

Bet you won't find this Elephone in a zoo!

Use the Elephone to help students improve phonemic awareness, listening comprehension, auditory processing, and reading skills. When a child speaks, the "trunk" amplifies sound into the ear by 10-12 dB.

The removable trunk (6 3/8") is latex free and dishwasher safe.
