Product Description

10 stamps show the faces of kids with different emotions. Such stamps can be found rarely and so they may be valuable for the educational use thoroughly, particularly, therefore, because you can ask children difficultly to draw a certain feeling - for young children is often difficult.

The stamps themselves are high quality made of wood, a stamp pad has certainly every kindergarten stock.

Happy, sad, surprised ...

On the basis of facial expressions, press the wooden temple motifs ten different emotions by boys and girls. For example, I am happy ?? Sad!??
