Price: €5.25 inc. 19% VAT

SKU: 100645

Product Categories: [FIDGET](#), [TACTILE](#), [VISUAL](#), [SENSORY PROCESSING SKILLS](#)

Product Page: <https://theraplaycy.com/product/flashing-bobble-ball/>

Product Description

Multi-coloured plastic ball covered in spikes. Drop or catch it to trigger an internal flashing mechanism that makes the entire ball light up and pulse. As the surface is split into different coloured sections the light appears to change colour as the ball rolls or moves.
