Product Description

Sets of graphic patterns supporting pre-writing exercises. Magnets are included in the packages. The trails are divided into three levels of difficulty, marked with color and the distance of the lines in the trail. In accordance with the principle of gradation of difficulty, each level presents exercises that refer to both the lower and higher levels. In each one, there are also 4 boards made of plastic, on which you can write with dry-erase markers.

LEVEL 2
