Product Description

Scoop up fine motor skills!

Handy Scoopers are ideal for developing hand strength and fine motor skills.

Holes in the scoops allow for catch-and-release fun at water tables.

Each handy scooper features translucent scoops and easy-grip handles.

Includes the following attractive colour combinations: Purple, Green & Blue, Blue, Orange & Purple, Green, Purple & Orange and Orange, Blue & Green.

Each scooper measures 15cm L.

Includes a handy storage bucket.

Set of 4.

Skill Development:

Fine Motor- Helps develop eye-hand coordination by grabbing small manipulatives

or snacks with the Handy Scoopers.

Sensory Integration- Use the Handy Scoopers in a sand box or water table to discover how the different substances sift through the holes of the Handy Scoopers.
