Product Description

This game makes every frog laugh. Which of the small, quick-witted frogs will be the first to make it into the pond? Help your 4 little croaking pals jump into the pond by snapping your fingers between their hind legs and getting them to move in the right direction – the fun factor is guaranteed. Apart from that, you'll find illustrated game suggestions on the packaging. Contents: 4 frogs each in the vivid colors red, green and blue made of transparent plastic, plastic bowl. Further team spirit, motor skills and coordination.
