### Product Description

The development of a human being. What the layer puzzles offer:

- high play value
- development of the ability to match and combine
- development of powers of imagination
- development of concentration and inner calm

Puzzle pieces beside each other and on top of each other. Seeing and understanding with pictures.

Every Layer Puzzle - A Whole Story

These puzzles are not only puzzled side by side but also on top of each other. They are arranged in tiers and the wide world of themes presents explanations in pictures. They train the cognition of context and the ability to associate and combine. More difficult variants are marked by numbers on the back.
