Product Description

Build the alphabet with this letter construction activity set.

Encourage early letter recognition as children build the alphabet with this colourful literacy activity set.

Children use the colour-coded pieces to build the letter they see on the maths activity cards.

Colour-coded pieces match those shown on the activity cards.

Children snap together the relevant pieces to build both uppercase and lowercase letters.

Set includes:

- 60 letter pieces

- 13 double-sided activity cards

- Activity Guide

Largest piece measures 25cm.
