Product Description

Our Long Loop Easi-Grip® Scissors is a range of ultra light-weight self-opening scissors with the added benefit of a long loop handle for additional stabilisation. Designed for use by those with weak hands and wrists or those who are unable to use conventional style scissors due to swollen and painful joints.

Easi-Tip

Before starting a scissor activity try doing a “finger warm up” by doing a rhyme

such as “two little dicky birds”, “Peter pointer” or “the dough disco” by clicking here which can build strength too.

OTs recommend for...

Poor sensation, weak grip, hand strength and/or motor control

Children learning correct index finger placement

Motor planning difficulties. For example, Dyspraxia

Children with joint hypermobility
