Product Description

So Much Fun, it's Hard to Believe it's Exercise!

This ball chair is your child's ideal chair! A great source of sensory input for anyone who needs to wiggle during homework, reading or mealtime, the Ball Chair also promotes good posture and improves core strength and balance. It has a smooth, round exterior and a comfortable backrest for extra support. Locking casters on the

wheels ensure that active bouncers won't roll away.

Relieves extra energy for hyperactive kids (and adults).

Ideal for kids with autism and sensory processing disorder.

Keeps the mind focused while engaging the body.

Perfect for at home or in the classroom.

This child size plastic ball chair is perfect for ergonomic sitting when kids do their homework, reading, watching TV or playing games!
