Product Description

Let children take control of their learning with this self-checking pen.

The Hot Dots Pen was revamped in 2012! We listened to your feedback and improved the functionality of this Talking Pen - we're sure you'll like the results. Talking Hot Dots Pen can be used with any Hot Dots set.

Hot Dots Pen and cards provide self-checking learning in a variety of subjects: Early Years Skills, Maths, Literacy and Science.

Talking Pen provides instant feedback, gently indicating incorrect answers and congratulating correct ones.

Sounds can be muted for quiet classroom use.

Interactive pen requires 2 AAA batteries, not included.
