Product Description

Encourage critical thinking with real-life photos and engaging prompts. Critical thinking meets visual literacy in this brain-teasing, eye-sharpening card set that tests children's communication skills! Cards feature real-life photography on one side and four thought-provoking questions on the other. Children answer the questions to promote:

-Speaking skills

-Listening skills

-Writing skills

-Critical thinking

Includes 40 double-sided cards.

Cards measure 20cm square.
