Product Description

Tips & Techniques for the Grabber® Family is written by Debra C. Lowsky, MS, CCC-SLP, the speech-language pathologist and feeding therapist who designed ARK's Grabber®. It is a quick and easy reference guide explaining how, when, and where to use the entire Grabber® Family, including the Grabber®, Grabber XT®, Textured Grabber®, Scented Grabber®, and Baby Grabber®. Most of the oral

motor exercises in this book can also be adapted for use with ARK's Y-Chews. It is a 26-page, easy-to-carry, spiral-bound book with detailed instructions and illustrations. Chapter topics include: how to increase lip & tongue control, how to increase tongue mobility and lateralization, how to increase jaw stability and control, how to establish the concept of bite and chew, how to promote a rhythmic chewing pattern, and much more. Book measures a compact 9.5 x 6.5 inches.
