Product Description

A fast game of reactions for 2-6 players. Animals in various colours are depicted on 3 huge dices. The same animals also appear on 18 cards. The object of the game is to find and match up the figures and colours thrown by the dice with the corresponding pictures on the cards. This game trains recognition skills of colour and shape. At the same time it promotes swift reactions and co-ordination skills. There is a wealth of variations to train children's skills and as they become more and more proficient, they soon request new challenges. This is what this game has to offer with the result that it remains interesting for ages.
