Product Description

Weplay Balance Board is a multidirectional balance board that has a spiral shaped track, allowing kids to increase attentions spans while working on coordination. The Weplay® Maze Balance Board is an intermediate level board. It helps to develop balance and coordination at a higher level compared to the Circular Board. It's fun and challenging to move the ball around the board's snail pattern. Includes: 1 board and 3 balls.

- Move the ball through the maze while balancing

- Interesting design
- Elevates balance coordination to a higher level from circular balance board
- Snail labyrinth pattern on the board provides challenge and amusement in playing
- Can be played by hands or feet to run the ball into the target area
- Maximum weight: 80 kg
- Enhances physical coordination, patience and concentration
- Includes three balls
