Product Description

- Ideal for special needs therapy and oral stimulation
 - Provides a calming massage vibration for the face and mouth
 - Use the calming and organizing input of low-intensity vibration and learn why Jigglers are a must
 - Chewable and durable oral facial massager
 - Battery not included
 - Use of this product requires adult supervision at all times.
- **To turn the unit on, simply twist the Switch Tip at the opposite end of the handle just until the unit starts to vibrate (please do not over-tighten-can damage the jiggle) .
